Miss Mary Fravel Shipper

We Honor . . .

Miss Mary F. Shipper joined Potomac State College faculty in the fall of 1938 as librarian. Under her guidance library service was expanded to include a separate reserve reading room and a Science Hall library annex. Her dream of a new library on State's campus may find fruition in the not too distant future.

Miss Shipper has given unstintingly of her time and efforts toward providing cultural advantages for the college and the community. The Folio Book Club, which she sponsors, has always been popular with students and faculty. She gives interesting and thought-provoking book reviews for civic groups and organizations in neighboring towns. She has enjoyed the gratitude of the townspeople for bringing Barter Theater to Keyser.

The CATAMOUNT staff takes pleasure in dedicating this edition to Miss Mary Fravel Shipper in recognition of her gracious personality, altruistic activities, and efficient library service.

Eta Upsilon Gamma was founded at Christian College, Columbia, Missouri, in 1901, and is the oldest national junior college sorority in the National College Pan-Hellenic. The aims of the sorority are to promote scholarship, to stimulate school spirit, and to enrich and broaden friendship.

Our informal Pirate rush party was held in October at the home of Mary Mac Bess. The Gammas co-sponsored two dances, the Harvest Ball and the Spring Formal, with their brother fraternity, Theta Sigma Chi. The sorority also collected magazines for the people in the hospital and made up a basket for a needy family carrying out the Christmas Spirit. We have had various social functions which proved to be most successful.

Serving on the May Court from this sorority will be Helen Yoder. The Gamma Lamp pin to be worn during the 1952-1953 term was awarded to Jeanne Ludwig, who had the highest average among the pledges last year.

Theta Sigma Chi Fraternity was founded at Potomac State College in 1922. It has as its ideals promotion of fellowship, high moral standards, scholarship, and social betterment. The "Thetas" are well represented in both football and basketball.

Following our annual custom we sponsored the election of Miss Catamount, who was Miss Dolly Kimble of Petersburg, West Virginia.

In November the Theta Sigma Chi and their sister sorority, Eta Upsilon Gamma, sponsored the Harvest Swing, a semi-formal dance.

Our main activity in April was the Spring Formal, held in the auditorium of the Administration Building. The last activity of the school term is a dinner given for all active members.

Epsilon Chapter of Sigma Iota Chi is the oldest sorority on the campus of Potomac State. Although it was originally founded in 1903 at the University of the South at Sewanee, Tennessee, as an honor society, it has since become a social organization. This sorority has become the largest national junior college sorority in the United States and stresses the importance of scholastic achievement and fellowship, thus carrying on the spirit and ideals of the first chapter.

The home of Mrs. T. T. Huffman was the site for the "Hawaiian Rush Party." Twenty-two pledges were received in October and initiated in March.

Miss Dolly Kimble was elected Homecoming Queen in the "Miss Catamount" election in October. Miss Constance Durst and Mr. Paul Cline were crowned Queen and King of Winter at the Jingle Bell Hop. Before the Christmas holidays the group was entertained with a card party by the alumnae chapter of Keyser at the home of Miss Patricia Keyser. The Sigmas sponsored the annual Sweetheart Ball in February when Miss Peggy Taylor was chosen "Sigma Sweetheart." The second student body election was won by two Sigma members. Miss Peggy Jo Crane was elected Sophomore Belle and Miss Frances Crist was elected Freshman Belle.

Phi Sigma Nu, founded in 1922 and known then as the Kappa Kappa Fraternity, has been one of the most outstanding social groups of Potomac State College.

The fraternity sponsored a number of activities during the year, some of which are as follows: the pledge party held in the Science Hall and at the home of the sponsor, Mr. James T. Handlan, Jr.; a Saturday night dance at the Student Center; and two parties with our sister organization, the Sigma Iota Chi.

Honors went to Miss Connie Durst and to Mr. Paul Cline, who were crowned Queen and King of Winter at the fourteenth annual Jingle Bell Hop.

Phi Sigma Nu has for the past eight years won the Dean's Scholarship Award, given the Greek-letter organization making the highest total scholastic average as a group. Phi Sigma Nu demands of its members scholastic achievement, college spirit, high moral standing, and an interest in all college activities. The fraternity, a leader in campus affairs, is proud that its members hold many important offices on the campus.

The lasting bonds of friendship established here will be treasured memories for many years to come.

Kappa Delta Psi Sorority is the youngest sorority on Potomac State's campus, having been officially founded April 26, 1951. The objectives of the group are to further scholarship, stimulate school spirit, and develop a close feeling of friendship with each other and the school which was its founding place.

Following an informal "blue-jean" party held during Rush Week, seven girls became Kappa Pledges. In early November, a formal initiation ceremony was held for the newcomers.

In December the sorority voted to prepare a basket of foodstuffs for a needy family. The project was carried out, and the parcels were wrapped and delivered following the sorority's annual Christmas party.

As their part in the college's Student Center Saturday night activities, Kappa Delta Psi co-sponsored a "Santa Claus Hop" with their brother fraternity Phi Kappa Omega.

Enjoying the distinction of being a local fraternity at Potomac State this year, members of Phi Kappa Omega Fraternity have been actively engaged in furthering its objectives of high scholarship, sound moral character, and cooperation in working for the best interests of its members as individuals, the fraternity as a group, and for the betterment of the college.

Active brothers inaugurated the fall term by entertaining new men at a rush party held in the Social Room of the Science Building. In December, the members cooperated with the sister sorority in sponsoring a Saturday night dance at the Student center.

Social functions sponsored by the fraternity included the annual spring picnic.

The governing organization of the student body of Potomac State College is the Student Council, whose major objectives are directing student activities and promoting school spirit.

During Freshman Week the Council assisted in the orientation program for the incoming students; two weeks later the group helped to organize the freshman class, selected freshman rules, and supervised their enforcement through the Kangaroo Court. The Council supervised the selection of cheerleaders, held "thuses," and sold programs for the football games.

On October 25 the Student Council sponsored one of the most gala affairs on the campus, the annual Homecoming Ball, honoring Miss Dolly Kimble as Miss Catamount XIV. In May the Council cooperated with the Physical Education Department in the May Day Fete, which culminated in the May Queen's Ball.

Upon recommendation of the Athletic Department, the Council presented letters and sweaters to athletes.

This year Sigma Phi Omega, the Honor Society of Potomac State College, will celebrate its thirtieth birthday. Founded in 1923 to foster scholarship and leadership, the fraternity now holds an enviable position on the campus. It is still an entirely local organization with its own constitution, ritual, insignia, and traditions.

At the opening of the school year, fourteen members returned to the campus, and soon thereafter Dorothy Seaber and Audrey Wagoner were elected to membership. At the close of the first semester two members left the ranks: Jean Davis by graduation and Raymond Thompson by transfer to West Virginia University.

Sigma Phi Omega draws its membership from all campus groups; thus it is proper that it should sponsor the two convocations honoring Potomac State's organizations. This year at the first general convocation after the opening of school, the society presented campus leaders to the student body in its traditional *Know Your Organizations* program, and it will end the year in like manner with the annual *Recognition Day* program, where honor is bestowed upon leadership and achievement in every field. The formal initiation of new members and the banquet in their honor have an important place on the school's roster of events. This year special exercises in honor of the thirtieth anniversary are planned, and an effort will be made to bring many former members back to the campus.

Members of Sigma Phi Omega feel that it is not only an honor to be elected to this society, but that it is also a responsibility. They aim to uphold standards of scholarship, to participate in student activities, and to co-operate with the college at all times.

The most active cultural organization on the campus is the Folio Book Club, which was organized in 1939. Under the supervision of Miss Mary Shipper, college librarian, the club's aim is to arouse interest in popular books and to serve as a forum for literary discussions. At each meeting, a book is reviewed, or a definite study of an author and his works is given by an authoritive speaker.

The meetings are held on the third Wednesday of each month, and all students and faculty members are invited to attend. The Folio Book Club is the ideal organization for the busy student as it takes little time; yet one receives much material value from the reviews. It is particularly beneficial to English majors.

The club sponsors dances at the Student Center, an annual square dance each year, and participates in numerous other student activities.

Potomac State Debaters

The Potomac State Debaters Club was organized this year under the leadership of Edward Gobel, president, and Mr. J. Kenna Burke, faculty advisor. The question for debate was "Resolved: That the Congress of the United States should enact a compulsory Fair Employment Practices Act." Teams were organized on both the affirmative and negative side. The members of these teams were: Affirmative—John Bosley, James Gainer, and Negative—Edward Gobel, Daniel Sharpless. The teams were organized in early November and spent the remainder of the first semester in research and preliminary investigation of the question. The Debaters appeared before the Keyser Woman's Club and the Presbyterian Men's Club of Keyser. Due to the inability of all the members to attend the College Debate Tournament, the Debaters did not enter the tournament this year.

Try-outs, followed by an initiation and informal reception in the Play Shop in mid-October, started the Potomac State Players on their thirty-second year as one of the major cultural groups on the campus. Meetings are held twice monthly in the College Auditorium. A program committee appointed for each meeting arranges such entertainment as skits, one-act plays, readings, make-up demonstrations, and dramatic reviews.

The club's first major activity was the presentation of two one-act plays entitled "Submerged" and "The Professor Roars," on Thursday, January 15, in the College Auditorium.

The major three-act spring production was "The Curious Savage," presented April 23 and 24 in the College Auditorium. Both endeavors were highly successful.

Members of the club who have earned membership in Delta Psi Omega, national honorary dramatic fraternity, will be named in May.

The Pasquino

The *Pasquino,* Potomac State's newspaper, serves the student body, the college staff, alumni all over the world, advertisers, and friends of the college by bringing to them about every two weeks current campus news coverage.

Those registered in journalism classes are automatically on the *Pasquino* staff; but since journalism classes are very small, many volunteers, with and without experience, are welcomed to the staff.

Editorial headquarters are set up in the Play Shop, and the paper is printed by the *Mineral Daily News-Tribune* in Keyser.

A project sponsored by the *Pasquino* staff is the publication of the annual Student-Faculty Directory. Social highlight of the year for the staff is the annual Press Banquet, during which an outstanding journalist addresses the group. This year's banquet is to be at the Ali Ghan Shrine Country Club, Cumberland.

The Pasquino is affiliated with the West Virginia Intercollegiate Press Association. Last fall Richard Pendergast, editor, and Mary Giffin of the news staff attended the annual WVIPA meeting at West Virginia University.

In the early spring the Glee Club sang for the Religious Emphasis Week meetings.

During April and May the Spring Tours were made to Grafton, Flemington, Roosevelt-Wilson, Shinnston, Lumberport, Weston, Washington Irving, Bridgeport, Pennsboro, Harrisville, West Union, Ridgeley, and Keyser High Schools in West Virginia and to Fort Hill and Allegany High Schools in Cumberland, Maryland.

The Women's Athletic Association was organized to popularize women's athletics at Potomac State College and to provide leisure time activities.

The aims of the organization are to develop standards of leadership and sportsmanship and to promote those activities which may be adapted to the leisure time of after-school life, such as the intramural games in volleyball, basketball, pingpong, and badminton. Each year the club sponsors a Play Day for high school students in the surrounding schools. This year's program for Play Day was a co-recreational affair.

The motto of the group is "A sport for every woman and for every woman a sport." The club is open to all girls on campus. A total of two hundred fifty points entitles a member to an emblem. These points are acquired by participation in tournaments, attending meetings, and in various other ways. A total of five hundred points entitles her to wear the regulation Potomac State College letter which is the highest honor bestowed in women's athletics.

Third row: George Baird, Kenny Brown, Bill Long, Harry Good, Rowdy Totten, Ray Rice, Bill Sutton, Vince Murovich, Richard Rishak, Bob Lee, Bob Barber, Charles Mayo, Tiny Payne and Lenny Calandra.

Football

Following in the footsteps of great Potomac State football teams of the past, the 1952-53 Catamounts roared through a rough schedule, under the masterful coaching of Head Coach Dana Lough, to post a better than average record of four wins, two losses, and one tie. The Catamounts with a speedy backfield, and a big line, gave a creditable account for themselves despite injuries to several key players during the season which undoubtedly weakened the team.

Potomac State 25, Bainbridge Naval Academy 12

Potomac State opened the season against Bainbridge. Ed Egan scored Potomac State's first touchdown by returning an intercepted pass 80 yards to pay dirt. A few minutes later, an Anderson to Totten pass-play covered 31 yards to the Navy 7-yard line. Danny Rose plunged over right tackle for the score. John Kane burst through center for a 57-yard sprint and Fred Lee converted. Egan intercepted a Navy pass and went 52 yards for the final Catamount score. Bainbridge scored all their points in the final period.

Potomac State 12, Newport News Tech 7

Potomac State met Newport Tech in their first road game. The Catamounts drove 53 yards to the one-yard line early in the game. Niedbala plunged over for the score. Bob Lee set up the final T. D. by recovering a Tech fumble. Rose scored on a play around right end. Both attempted conversions were blocked.

Potomac State 19, Salem 12

The Catamounts journeyed to Bridgeport to post a very costly third win. Three key State men were injured. Dan Rose dashed 53 yards for the first T. D. Salem then tied the game up at 6-6. Baird put State back in the lead to stay by going over from the one-yard line to end a 63-yard march. Poe widened the lead by bulling over from the three-yard line late in the final period. Salem scored to draw within seven points of State.

Potomac State 0, Glenville 14

With three regulars on the bench nursing injuries—Poe, Rose, Totten—the Catamounts suffered their first loss. Glenville scored in both the first and third periods.

Potomac State 21, Shepherd 0

Performing before a happy, cheering group of alumni, the Catamounts drubbed an old rival, Shepherd, on Homecoming day by a 21-0 score. The Catamounts' first T. D. came on a 53-yard pass play from Baird to Long. Rose scored the second T. D. from seven yards out. Zack finished the scoring by going over from five yards out. Joe Talbott had a day for himself by making all three conversions. The outstanding line play of Ours, Wyskowski, Shubeck, Sutton, and Emch, kept Shepherd from crossing the State goal line.

Potomac State 13, Concord 13

Don Hobbs went through right tackle for 25 yards and the first State touchdown. Late in the game George Baird hit Bill Long with a touchdown pass but the Catamounts could make only one extra point try and ended in a 13-13 draw.

Potomac State 12, West Liberty 14

Potomac State closed their season away from home by dropping a thrilling 14-12 contest to the powerful Hilltoppers of West Liberty College. John Kane streaked 51 yards for the Cats' first touchdown. George Baird reeled off 63 yards and another score. Despite this sensational running by the speedy Catamount backfield, the Hilltoppers squeaked by on a 14-12 score on the strength of Decola's conversions for the Hilltoppers.

2nd Row — Lee, Cool, Robinson, Renfroe, Berry
3rd Row — Stoutamyer, Mason, Shimer, Sisselberger, Hercules

The Potomac State basketball team squad consisted of six returning lettermen and a host of promising freshmen.

Potomac State opened their regular season at home against Mountain State Business College. With Freshman Ira Robinson leading the way the Catamounts racked up a somewhat easy 95-80 win. Robinson's 24 points was high for State.

Bluefield College was the next cage team to invade the Catamounts' home court. With Murovich hitting for eight field goals and five for eight at the foul line for 21 points the Catamounts rolled to their second win 66-49.

The Catamounts played their first road game against the W. V. U. Frosh at Morgantown and suffered their first loss 67-55.

Basketball

Last year's State Co-Champions, West Virginia Tech, roared into Keyser to do battle with the Catamounts. Although trailing most of the way, Potomac State gave Tech a real scare before dropping their second loss in a row by 86-83. Sutton hit with eight field goals and a perfect seven for seven at the foul line. West Liberty followed Tech in to hand the Catamounts another setback by an overwhelming 102-68 score. Again Sutton copped scoring honors with 14 points.

Potomac State invaded an old rival Frostburg and were handed a hard-fought overtime loss by a 78-77 score with the freshmen playing most of the second half. Poe hit for 17 points.

Potomac State returned from the Christmas holidays to do battle with National Business College and won 83-69.

Potomac State next played West Virginia Wesleyan and Fairmont State in a two-game road trip, losing both games by scores of 87-47 and 84-76 respectively.

Westinghouse was the next to meet the Catamounts. Potomac State made it three losses in a row by dropping the game 00-81 despite Murovich's 23 points.

Just as people were beginning to think the Catamounts had hit the skids, Potomac State drubbed arch rival and highly favored Shepherd before a roaring home crowd by a surprising score of 76-59. George Baird led the whole team with 27 points in an outstanding game.

State's happiness was shortlived as they journeyed to West Liberty to lose by 107-74. Potomac State returned home to all but upset the West Virginia Freshmen 74-71.

A & B moved in next to drub the Catamounts by 00-60.

The Catamounts next set off on a tour of the South first meeting Beckley and taking the Eagles by a 93-69 margin. They dropped two games to Concord 94-72 and Bluefield 98-93.

Potomac State returned home to avenge an early season loss by beating Frostburg 77-66 as George Baird hit for 29 points.

Potomac State's cage team set off for their last road trip to the South and dropped two games to Morris Harvey and West Virginia Tech by respective scores of 87-59 and 97-81.

The Caamounts played their last home game against Fairmont and avenged an earlier loss by drubbing the Falcons by 89-78. Murovich hit with 22 points.

Potomac State ended their regular season by dropping a 82-70 decision to Shepherd despite Sutton's 19 points.

In the West Virginia State College Tournament Potomac State dropped their first game to Alderson-Broaddus by the tune of 92-79.
